In the Matter of

Amendment of Section 73.202(b), RM-8005  
Table of Allotments,  
FM Broadcast Stations.  
(Copenhagen, New York)

### NOTICE OF PROPOSED RULE MAKING

Adopted: June 10, 1992; Released: June 19, 1992

Comment Date: August 10, 1992

Reply Comment Date: August 25, 1992

By the Assistant Chief, Policy and Rules Division:

1. The Commission has before it the petition for rule making filed by Tia A. Soliday ("petitioner") requesting the substitution of Channel 294C3 for Channel 294A at Copenhagen, New York, and the modification of Station WWLF-FM's construction permit to specify the higher class channel. Petitioner states that she will apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the substitution of Channel 294C3 for Channel 294A at Copenhagen since it could provide the community with a wide area coverage FM service and enable Station WWLF-FM to expand its coverage area. As requested, we also propose to modify Station WWLF-FM's construction permit to specify Channel 294C3. In accordance with Section 1.420(g) of the Commission's Rules, we will not accept competing expressions of interest in the use of Channel 294C3 at Copenhagen or require the petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

3. Channel 294C3 can be allotted to Copenhagen in compliance with the Commission's minimum distance separation requirements with a site restriction of 11.3 kilometers (7 miles) northeast to avoid a short-spacing to Station WPCX, Channel 295B, Auburn, New York.<sup>1</sup> While the allotment would be short-spaced to Station CKO-1, Channel 295C1, Ottawa, Ontario, and vacant Channel 293A at Brockville, Ontario, Canada, we believe that the use of Channel 294C3 at Copenhagen will not result in any prohibited interference. Therefore, since Copenhagen is located within 320 kilometers (200 miles) of the U.S.-Canadian border, we will request concurrence by the Canadian government in the allotment of Channel 294C3 as a specially negotiated allotment.

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Copenhagen, New York	294A	294C3

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before August 10, 1992, and reply comments on or before August 25, 1992, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

(Petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement.
